

## XAM Plugfest #2– Agenda (Draft 1)

SNIA Technology Center – December 8 to 12, 2008

\* Updates highlighted in orange text.

### 1. PLUGFEST AGENDA & Objectives

#### ISV Objectives

1. Testing of ISV applications against multiple Storage vendor systems
2. XAM Specification Technical Requirements for XAM v1.1
3. Input to XAM ISV Engagement Model
4. Access to early releases of Storage vendor products

#### Storage Vendor Objectives

1. XAM SDK v1.0.x Testing
  - i. XAM SDK TWG members will be onsite to assist with your integration, implementation and testing of the XAM SDK.
  - ii. XAM SDK will be compliant to the XAM v1.0.1 specification submitted to INCITS for ANSI & ISO standardization.

#### Notes:

1. Agenda & schedule is subject to change.
2. Participation in plugfest either onsite or remote access.
  - a. Please register at [http://www.snia.org/forums/xam/news/plugfest\\_reg/](http://www.snia.org/forums/xam/news/plugfest_reg/)
3. If not a member of SNIA you are required to complete and sign the SNIA Technology Agreement form. Please to go for the form
4. All SNIA employees and Plugfest attendees MUST park in the East lot (designated area for us). Security will be ticketing and towing cars parked in the near (south) lots.
5. All times are expressed in Mountain Time Zone
6. Main Tech Center phone # is (719) 884-8910
7. All meetings held in Training Room B

## **XAM Plugfest #2– Agenda (Draft 1)**

SNIA Technology Center – December 8 to 12, 2008

\* Updates highlighted in orange text.

### **PLUGFEST SCHEDULE**

#### ***Monday***

9:00 – 10:00: Plugfest Kick-off Meeting (All)

- Welcome & Introductions, Tech Center Logistics, Agenda & schedule review
- Overview of Build System Infrastructure, XAM Developers Group and XAM SDK Project Website
- Schedule interoperability testing with other vendors

10:00 – 5:00: Interoperability and XAM SDK Testing

1:00 – 5:00: Vendor Preparations

4:00 – 5:00: Review of XAM SDK & XAM v1.0.x Specification Bugs

#### ***Tuesday***

9:00 – 10:00: Status Meeting

10:00 – 4:00: Interoperability and XAM SDK Testing

4:00 – 5:00: Review of XAM SDK & XAM v1.0.x Specification Bugs

#### ***Wednesday***

9:00 – 10:00: Status Meeting

10:00 – 4:00: Interoperability and XAM SDK Testing

4:00 – 5:00: Review of XAM SDK & XAM v1.0.x Specification Bugs

6:30 PM: Plugfest Appreciation Dinner

#### ***Thursday***

9:00 – 10:00: Status Meeting

10:00 – 4:00: Interoperability and XAM SDK Testing
