

Migration Strategy for 2004/2005/2006/2007 SCP Credential Holders to the SCP 2008 Credential

- ✓ All 2004 SCP credential holders must update their credential by taking the SNIA Storage Network Foundations exam (S10-101) by December 31, 2007 to stay current.
- ✓ All 2005/2006/2007 SCP credential holders will be grandfathered over to the 2008 credential without any new requirements. You can request a renewal certificate with an email request to snia_certification@snia.org.
- ✓ All 2005/2006/2007 SCP credentials will be accepted as the pre-requisite for the current 2007/2008 SCSE and SCA credentials.
