Learn how you can get involved with SNIA

SNIA, the Storage Networking Industry Association, is a non-profit global organization dedicated to developing standards and education programs to advance storage and information technology.

www.snia.org/member_com

SNIA[®]
Advancing storage &
information technology

“ SNIA has a unique critical mass of industry experience and vendor membership in storage-related areas, and a strong and contemporary technical agenda, which makes it a great place to bring standards and business development initiatives.”
- David Dale, Director Industry Standards, NetApp; and Chairman, SNIA

What is SNIA?

For more than 20 years, the Storage Networking Industry Association has been the globally recognized and trusted authority for storage leadership, standards, and technology expertise.

SNIA's mission is to lead the storage industry worldwide in developing and promoting vendor neutral architectures, standards, and educational services that facilitate the efficient management, movement, and security of information.

185

industry leading organizations

2,000

active contributing members

50,000

IT end users & storage pros worldwide

Over 2,000 active contributing members from 185 industry leading organizations contribute to:

Standards Development and Adoption

- Spec development; submissions for International Standard ratification (ISO/IEC)
- Open source software to accelerate adoption

Interoperability Assurance

- Plugfests & conformance testing

Technology Acceleration and Promotion

- Special Interest Groups to promote technologies
- Vendor collaboration to accelerate adoption

Global Vendor-Neutral Education

- Peer-reviewed webcasts and tutorials
- Conferences and presentations
- White papers; articles; blogs
- IT training and certification courses

“ SNIA membership is important for any company creating, servicing or using Storage Information Technology.” - J Metz, R&D Engineer, Cisco; and Director, SNIA

Top Reasons To Join SNIA

INFLUENCE

- ✓ Influence storage technologies important to the marketplace
- ✓ Amplify your vendor storage expertise and reputation
- ✓ Participate in the development of international standards

COLLABORATE

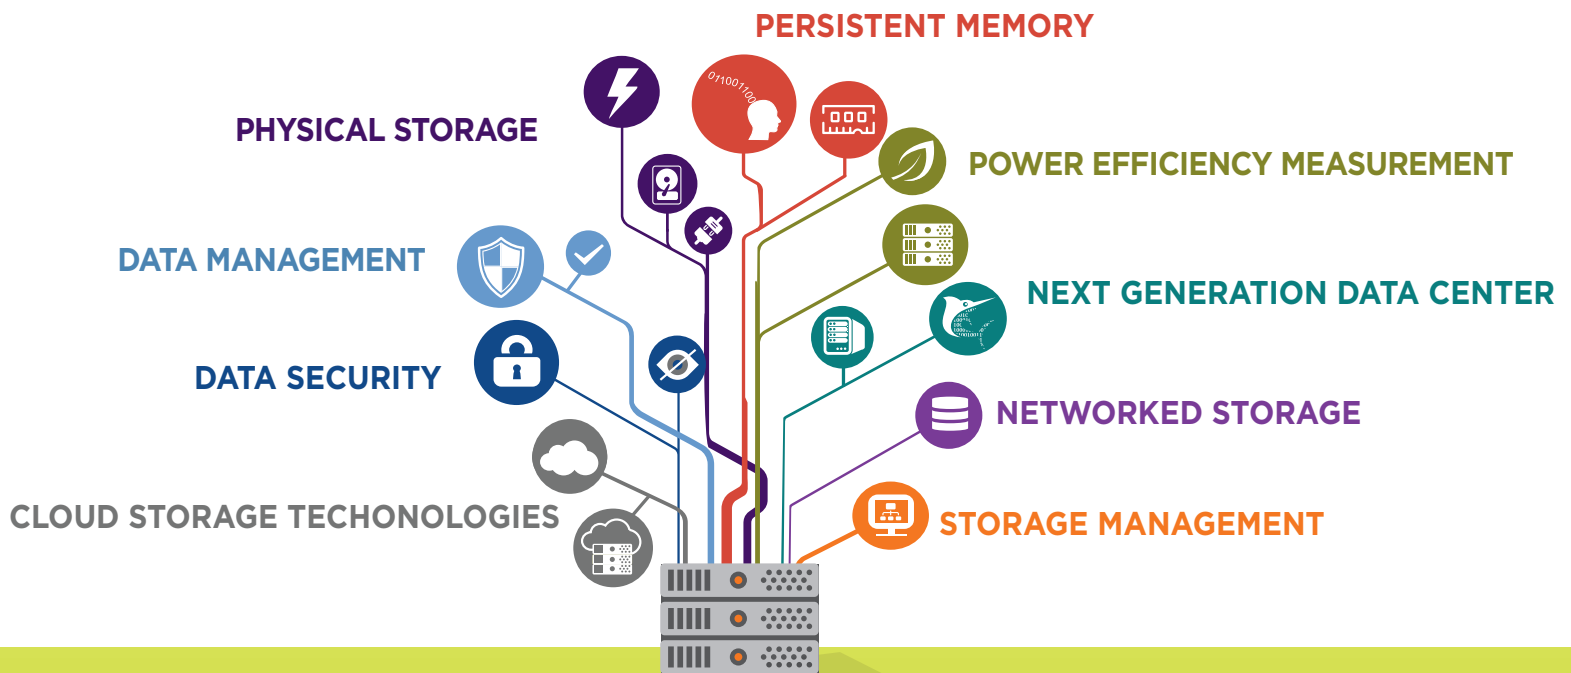

- ✓ Participate in multi-vendor interoperability activities
- ✓ Gain insight into disruptive industry trends
- ✓ Form strategic alliance partnerships
- ✓ Develop relationships throughout the industry

LEAD THE INDUSTRY

- ✓ Educate on all things storage
- ✓ Drive standards development and adoption
- ✓ Align strategic business objectives with worldwide standards

Become Involved in SNIA's Areas of Focus

Engage via:

- **Technical Work Groups:** Engaged in technical activity in SNIA's Areas of Focus
- **Technology Communities:** Focused on technology-specific marketing and education activities in SNIA's Areas of Focus
- **Regional Affiliates:** Groups outside of the U.S. that develop and deploy local activities in support of SNIA's Global Mission

“ SNIA is the single-stop organization to get a sense for all storage, information management, and data related advancements in the Industry. If you seek to influence in any of these areas, you should be involved with SNIA.”

- Jim Pappas, Director of Technology Initiatives, Intel; and Director, SNIA

SNIA Member Categories

Member

A Member is in the business of manufacturing, licensing, servicing, consulting, designing, researching/publishing, using or selling software, specifications, architecture, hardware or services related to storage or storage networking systems or technologies.

Member Startup

A Member Startup is an organization with revenue less than \$10M/year and in business less than 4 years

End Users

An End User Member is an organization that is the ultimate final consumer of a product or service, and is typically represented by the IT department of an organization. End users may join as dues-paying corporate or individual members.

Educational Institution

SNIA grants complimentary access to qualified Educational Institutions, such as accredited higher-learning institutions.

Technology Affiliate Member

A Technology Affiliate Member is a restricted voting membership specific to a technology domain focused on technical specifications and interoperability. A TA member does not need to be a full member of SNIA.

MEMBERSHIP FEES

MEMBER

A Member is in the business of manufacturing, licensing, servicing, consulting, designing, researching/publishing, using or selling software, specifications, architecture, hardware or services related to storage or storage networking systems or technologies.

Category	Yearly Fee	
	Voting	Non-Voting
Member annual revenue greater than \$600M	\$42,000	\$18,000
Member annual revenue >\$150M - \$600M	\$25,000	\$12,000
Member annual revenue >\$20M - \$150M	\$18,000	\$9,000
Member annual revenue \$0 - \$20M	\$9,000	\$4,000
Startup - annual revenue is less than \$10M/ year AND in business less than 4 years	N/A	\$1,000

Note: Voting Members in this category have additional entitlements including voting rights in SNIA elections, for SNIA Architectures and SNIA Software, as well as being eligible for a seat on the SNIA Board of Directors or Technical Council. For additional rights and benefits visit www.snia.org/join.

END USER

An End User is an organization that is the ultimate final consumer of a product or service, and is typically represented by the IT department of an organization. End users may join as dues paying customer company members or as individual members.

Category	Yearly Fee - Non-Voting
Customer Company	\$1,000
Individual	\$300

EDUCATIONAL INSTITUTION

SNIA grants complimentary access to qualified Educational Institutions. An "Educational Institution" is defined as any accredited higher-learning institution. Please contact membership@snia.org for consideration.

Category	Yearly Fee - Non-Voting
Educational Institution	\$0

TECHNOLOGY AFFILIATE

A Technology Affiliate (TA) member is a restricted voting membership specific to a technology domain, focused on technical specifications and interoperability. A Technology Affiliate member does not need to be a full member of SNIA.

Category	Yearly Fee - Voting*
SFF TA TWG (Technical Work Group)	\$1,800

Note: Voting rights apply only to respective Technology Affiliate group/membership, and not to SNIA Corporate voting.

MEMBERSHIP FEES

Note: In order to participate in a SNIA Technology Community, companies/organizations must first be a member of SNIA. There is an exception to this rule for membership in the SFF TA TWG. Technology Community Startup Memberships follow the same qualifications as Vendor Startup Non-Voting Membership.

SNIA Technology Communities

Annual Fee

Cloud Storage Technologies Initiative (CSTI)

Voting Member (>\$5M in revenue)	\$10,000
Voting Member (<\$5M in revenue)	\$5,000
Associate, Non-voting Member	\$3,000
Individual, Educational Institution Member, Non-Voting	\$300

Networking Storage Forum (NSF)

Member, Voting	\$5,000
Member, Non-voting	\$3,000
Startup Member, Non-Voting	\$1,000
Individual Member, Voting	\$300
Individual Member, Non-voting	\$100

Green Storage Initiative (GSI)

Strategic Member, Voting	\$12,000
Strategic Associate Member, Non-voting	\$6,000
Individual and Educational Institution Member, Non-voting	\$300

For information, email emerald@snia.org

Solid State Storage Initiative (SSSI)

Strategic Member, Voting	\$5,000
Associate Member, Non-voting	\$3,000
Startup Member, Non-Voting	\$1,000
Individual, Non-voting	\$300
Educational Institution Member, Non-voting	\$300

Storage Management Initiative (SMI)

Member, Voting	\$5,000
Vendor Startup Member, Voting	\$1,000

Storage Management-Lab Participation - SM-Lab (Requires SMI Membership)

Storage Provider (Large company - >\$500M)	\$25,000
Storage Provider (Medium Company - \$10-500M)	\$15,000
Storage Provider (Small company)	\$11,000
Storage Client (Any size company)	\$10,000
Storage Startup (Vendor Startup company)	\$4,000

Conformance Test Program - SMI CTP

Subscription for SNIA Members	\$30,000
Subscription for "First-time" CTP Participants	\$15,000
Subscription for Non-SNIA Members	\$35,000
