

# Recap of Summit Day 2 – and a Look Forward

Presented by David McIntyre, SNIA PM+CS Summit Chair

Thanks for attending our 10<sup>th</sup> annual Summit!

# Don't miss our great afternoon breakout sessions on **Persistent Memory, Computational Storage, and Computational Memory/ Implementations** on demand shortly!

- And our engagement with you doesn't stop here!
  - Talk to our speakers and sponsors during the sessions using the Slack Channel
- And stay tuned for upcoming events like.....

# Join Us

- SNIA's Monday evening reception, Keynote and Breakout Sessions, and our exciting live demonstration area on the showfloor at **Flash Memory Summit** in Santa Clara, CA August 2-4, 2022
  - See demos of the exciting vendor-neutral architectures, standards and educational services that SNIA develops and promotes
- Celebrate SNIA's 25<sup>th</sup> anniversary at the SNIA Storage Developer Conference September 12-15, 2022 in Fremont, CA September 12-15, 2022
  - Registration is now open at [www.storagedeveloper.org](http://www.storagedeveloper.org)

Stay tuned for more details in our June blog and video at [sniacmsiblog.org](http://sniacmsiblog.org)
