

Become a SNIA Technology Center Champion

Technology Center Champions are companies who donate* or loan products and services for SNIA programs to the SNIA Technology Center. Your contributions make a difference in the quality of services delivered by SNIA.

WHY BECOME A TECHNOLOGY CENTER CHAMPION?

- Your contributions provide the infrastructure and foundation for the SNIA's development of technical standards, specifications, and SNIA testing technologies
- The SNIA Technology Center products are also utilized by SNIA's many education and certification programs
- Technology Center Champions represent leaders in the storage industry, introducing and demonstrating the latest advancements in storage technology products to the hundreds of visitors to the Technology Center
- Technology Center Champions gain exposure as thought leaders committed to industry standards

CHAMPION BENEFITS

Your participation as a Technology Center Champion will provide the following benefits:

- Your company name listed as a SNIA Technology Center Champion on SNIA web site
- Article in SNIA Matters newsletter highlighting your contribution
- A complimentary exhibitor space at one SNIA Event for contributions valued over \$50,000
- Complimentary use of meeting space at the SNIA Technology Center
- Logo branding during all events at the SNIA Technology Center
- Up to 4 complimentary registrations to attend any SNIA-produced event

CONTRIBUTIONS SOUGHT

- Network Firewall, Routers and Switches
- Laptops, Desktops and Rack-mountable Servers
- Fibre Channel Storage Arrays, HBA's and Switches
- iSCSI Storage Arrays
- Network Monitoring and Storage Management Software
- Installation and Configuration Services
- Uninterruptable Power Supplies
